

Workshop Agenda

| Time | Item |
|----------------------|--|
| 09:30 – 10:00 | Registration |
| 10:00 – 10:15 | Welcome and introduction to risk management for utility providers <i>Dr Stefan Schauer, AIT Austrian Institute of Technology</i> |
| 10:15 – 11:15 | Interpreting, Preempting and Misunderstandings of Risk <i>Dr David Lund, HW Communications Ltd (UK)</i> |
| 11:15 – 11:45 | Coffee break and networking |
| 11:45 – 13:15 | The HyRiM Project: A Short Introduction <i>Dr Stefan Schauer, AIT Austrian Institute of Technology (AT)</i> |
| | Threat Awareness for Critical Infrastructures <i>Dr Antonios Gouglidis, Lancaster University (UK)</i> |
| | Mathematical Models for Risk Assessment in Utility Networks <i>Dr Sandra König, AIT Austrian Institute of Technology (AT)</i> |
| | Using Vulnerable Hosts to Assess Cyber Security Risk in Critical Infrastructures <i>Xiaobing He, University of Passau (DE)</i> |
| 13:15 – 14:15 | Lunch break |
| 14:15 – 15:05 | Human and Organisational Aspects in Critical Infrastructures <i>Dr Mark Rouncefield, Lancaster University (UK)</i> |
| | Smartphone-based surveillance <i>Ali Alshawish, University of Passau (DE)</i> |
| 15:05 – 15:45 | The SPARKS Project: A Short Introduction <i>Dr Paul Smith, AIT Austrian Institute of Technology(AT)</i> |
| | Structured Threat Analysis for the Smart Grid <i>Dr Martin Hutle, Fraunhofer AISEC (DE)</i> |
| 15:45 – 16:15 | MEDUSA tool for assessing physical and cyber risks in ports' supply chains <i>Spyros Papastergiou, University of Piraeus (GR)</i> |
| 16:15 – 16:45 | Coffee break and networking |
| 16:45 – 17:45 | Panel Discussion “Major Challenges and Emerging Trends for Utility Providers” <i>Dr David Lund, HW Communications Ltd (UK)</i> <i>Prof Hermann de Meer, University of Passau (DE)</i> <i>Alma Solar, CEA - Cooperativa Elèctrica d' Alginet (SP)</i> <i>Karl Rossegger, Linz AG (AT)</i> |
| 17:45 – 18:00 | Concluding Remarks and Future Engagement Opportunities |
| 18:00 | Networking Dinner (at the workshop venue) |
